MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Letter Contract No. SC-57 with *File*
Lockheed Aircraft Corporation, Project

25X1

1. Letter Contract SC-57 provides for initiation of a training program for the benefit of the Department of the Air Force. The services consist of recruitment, training and supplying services of six Technical Representatives; conducting familiarization training of approximately Contractor Technicians to render warehouse assistance for approximately 5 months. Said contract has been issued pursuant to an exchange of correspondence between the Director of Central Intelligence and the Secretary of the Department of the Air Force wherein agreement was reached that the Agency would act as the procuring activity for the supplies and services in question for reasons of security.

25X1

2. Letter Contract No. SC-57 provides authority for the Contractor to expend or obligate an amount not to exceed pending the negotiation and execution of a definitive contract. A definitive contract is anticipated by 15 October 1956 to replace the instant Letter Contract. Based on known requirements of the Air Force it is anticipated that the cost of the services for the period 15 July 1956 through 30 June 1957 will not exceed . Amounts for subsequent fiscal years, if the services are continued, will be obligated as funds are made available.

25X1

25X1

3. Letter Contract SC-57 provides for the right to negotiate the definitive contract on a fixed price basis for all services. The right is further reserved on the familiarization training program to provide for price redetermination if deemed advisable.

4. It is recommended that the attached memorandum for the Comptroller regarding the 10 (b) certification be signed by the
